Two days ago me and my friends took the FBI, last night, a guy by the name of Ibrahim was taken away, said Tipo need to talk, etc. and early in the morning, we learn that he was killed. Bottom of the video as Hus was interviewed, Chechens now firmly pressuyut.My in Orlando, Florida. FBI asked him to drive with them, and killed him in his apartment, saying that he had shot back. Hard disorder. Chechens and other Caucasians and America, please be careful not trust anyone and say only a lawyer, one we are not immune to the same outcome.
