

To Whom It May Concern:

This letter is being sent to notify you that the Post Office Sale in Idaho has been spiked heavily.

The reasoning for this action is that this piece of land is very special to the earth. It is home to the Elk, Deer, Mountain Lions, Birds, and especially the Trees.

The project required that eleven of us spend nine days in God awful weather conditions spiking trees. We unloaded a total of five hundred pounds of spikes measuring 8 to 10 inches in length. The sales were marked so that no workers would be injured and so that you assholes know that they are spiked. The majority of trees were spiked within the first ten feet, but many, many others were spiked as high as a hundred and fifty feet.

I would be more than willing to pay you a dollar for the sale, but you would have to find me first and that could be your WORST nightmare.

Sincerely,

George Hayduke

P.S. You bastards go in there anyway and a lot of people could get hurt.
