ARQ: Delivering comprehensive global mobility solutions in Malta

David Borg, Partner - Tax & Advisory

Malta is a viable global mobility jurisdiction particularly for American families relocating internationally, not only because English is the island’s official language, but also thanks to its strong Anglo-Saxon principles that permeate the country’s administrative procedures. With its strategic location, Malta’s investment program is one of the most competitive in the world, making the island nation an attractive option for American families seeking a reliable and cost-effective way to migrate to the Union EU country.

ARQ can support HW and UWU individuals who want to relocate to Malta by providing a comprehensive set of services, including tax planning, immigration advice, and legal representation. Through a joint venture between a law firm and an accounting firm, the company aims to deliver comprehensive and strategic solutions that cater to the unique needs of the American market.

Kristianne Fenech, Managing Partner

I believe that ARQ’s commitment to excellence and integrity is an important aspect in our service delivery. We are committed to delivering unparalleled services that exceed our clients’ expectations.
